## 2020 BEYOND CAMP APPLICATION

The Felix Organization offers “Beyond Camp” Mini-Grants for children in foster care who have exhibited extraordinary talent, interest or leadership in one or more areas. Beyond Camp funds will support after-school activities or equipment that allow recipients to improve skills or attain personal achievement in the area of interest. Examples include: dance programs, photography lessons, art materials, books for school, academic/leadership programs. When possible, the funds will be distributed directly to the program provider, rather than to the applicant.

Briefly explain your request for a Beyond Camp mini-grant:

---

---

I am requesting a campership to cover the following:

---

---

### RECOMMENDATION LETTER

\_\_\_\_ I have included a recommendation letter from an adult in support of this application.

### PHOTO/VIDEO CONSENT FORM

\_\_\_\_ I have included the completed and signed photo/video consent form.

### REQUIRED ESSAY TO BE WRITTEN BY THE CAMPER

\_\_\_\_ I have enclosed a brief essay (no longer than one page) on why this program is important to me and why I am the right person to receive these funds.

I understand that this application does not guarantee an award. I further understand that The Felix Organization awards these mini-grants with the belief that campers should have responsibility for giving back to The Felix Organization as a volunteer in a manner that relates to the award given. For example, if the applicant receives a camera to pursue photography, they might be asked to take photos at Felix events.
