

THE Beyond Camp™ EXPERIENCE

Beyond Camp™ is a program that provides grants for NYC youth in foster care to join extracurricular activities throughout the year.

We have funded dance lessons, gymnastics, college textbooks, sports leagues, photography equipment, and more.

In the past two years, Beyond Camp™ has distributed over \$20,000 to 37 youth.

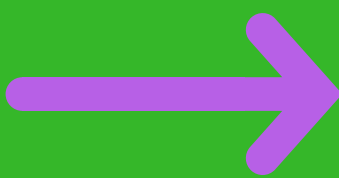

STEP ONE

Social worker identifies that a child is interested in participating in an extracurricular activity

Social worker and child fill out an application for Beyond Camp™

STEP TWO

The Felix Organization reviews the application and informs applicant of their approval

We work with social worker and child to coordinate which class they will be taking including location and time

STEP THREE

The Felix Organization disburses the money for the chosen extracurricular program

Check-in with social worker for a follow-up on how the child is doing in their program
